Raukura

Nau mai Hoki mai - Nikala Monika.

Nikala is currently working with some of our Year 2 taamriki who are transistioning from teina akomanga.

Kai at Kura

We provide breakfast and fruits and Snacks in Kura daily and we receive Lunches in School.

We have a few tamariki who like and will eat the food.

Unfortunately, we have a large number (for our little kura) who are not eating this kai and who do not come to kura with alternative kai.

Some of these tamariki are taking lunches off other tamariki amd or asking for staff kai.

Whaanau can we please ensure that your tamaiti is coming to kura with kai.

Taking Lunches off others will NOT be tolerated.

Vans

We have had a number of issues arise on the vans which include eating on the vans, tamariki poking their heads and hands out of the windows and inappropriate behaviour and language.

Please help us to keep all of our tamariki, kaimahi and whaanau safe, by reminding our tamariki about the rules when travelling on the vans (or any vehichles).
